HOW TO READ THIS

Every block below is one card moment from the reading. The card art and name are what the reader just turned over; the two bold words are the card's core teaching meaning; the paragraph under it is exactly what she said while that card sat on the board.

02

Three of Cups

03

Page of Wands

Page of Wands: **discovery** · **eagerness**

mind. Because the page of wands is trying to go somewhere. The three of cups, they're celebrating this four wands is like somebody achieved something, they made it. Okay, let me get something here with this. What is this four wands?

04

Two of Pentacles

Two of Pentacles: **balance** · **juggling**

We have the two of pentacles. Yeah, somebody balanced something. They created something, they worked on something, they got there, they did it. What is this energy? Or they got the ball rolling somewhere. We got judgement. Here with the three of cups. So that's a good thing cuz these people are celebrating. So it's like it's something about perhaps this page of wands waking up to something or finally coming into some type of energy. What is this? And then

05

The World

The World: **completion** · **cycle closing**

we got the world card, yep. And that's clarifying the page of wands.

06

Nine of Cups

Nine of Cups: **wishes** · **contentment**

What is at the bottom? Nine of cups energy here. So somebody made it. Nine of cups and

07

Six of Wands

Six of Wands: **victory** · **recognition**

the six of wands. Yeah, somebody definitely made it. And it does look like a going away party.

08

Nine of Swords

Nine of Swords: **anxiety** · **worry**

It does. Uh, we have the nine of sword. So somebody's really thinking about this a lot. Maybe they don't want this page of wands

09

Page of Swords

Page of Swords: **curiosity** · **vigilance**

to go. We have the page of swords energy. Somebody can see that this person is going through it. We got the page of cups.

10

Five of Swords

Five of Swords: **conflict** · **defeat**

We have the five of swords.

11

King of Swords

King of Swords: authority · truth

And then we have the king of sword. King of sword got to do what they got to do. I really do Okay, so there may be someone that's not so happy that the page of wands is leaving. There may be someone that's not so happy.

12

Queen of Swords

Queen of Swords: independence · clarity

Yeah, queen of sword energy.

13

The Emperor

The Emperor: authority · structure

Wow, queen of sword emperor. So, somebody wants to control another person here. Cuz the emperor can sometimes be in control. They can be like a authority figure.

14

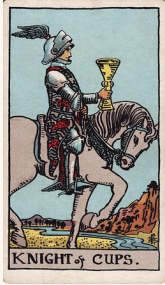

Five of Pentacles

Five of Pentacles: hardship · isolation

And then we got the five of pentacles. It's something like they're not doing good financially, they're not doing good with their health, they're not doing good in some kind of way here. What is this energy? Like somebody built something, they they put their energy into this. And they're graduating,

and people are excited about whoever this is that's graduating. And there's somebody that's not excited about it. I don't know why that would be. I mean, I know five of pentacles can be very uncomfortable. You know, I you know, I'm trying to give them a little bit, you know, just a little bit. But I'm trying to figure out why is it a nine of sword though? Like What is this energy here? Somebody cannot stop thinking about this. Like the fact that you did something, you graduated, you closed the cycle, you finally it's like people are happy for you. They need to be happy for you. I don't even care why they're not happy. They need to just be happy. They need to suck the up. Just be happy for somebody. We have the Page of Pentacles here. We have the Knight of Cups energy.

15

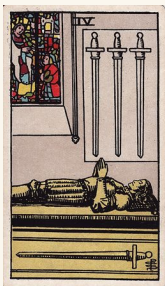

Knight of Cups

The Nine of Cups energy. The World card. We have the Four of Swords.

16

Four of Swords

Four of Swords: rest · recovery

We have the Seven of Wands energy.

17

Seven of Wands

Seven of Wands: defense · courage

And then we have the Queen of Swords coming out again. It's kind of like How can I say this? It's like Okay, this is just an example. And we got the Fool card at the bottom. This is

18

The Fool

The Fool: new beginnings · leap of faith

just an example. It could have been somebody that did not think you was going to do it. This person that is really sweating bullets right now. They didn't think you was going to do it. They didn't think you could do it. They didn't think you was going to do it. They didn't think it was going to happen. They didn't think this. They didn't think that. Well, now it is what it is. So, no matter what they think. You get what I'm saying? It don't matter what they think cuz it is what it is. And some type of cycle is closed. And either they going to be happy for somebody or they just going to be looking upset because they was wrong. Like sometimes you just got to suck it up and be like, you know what? They did that. They graduated. You know, it might even be a person maybe they didn't graduate or something. Okay. Oh, you know, so what? You can always take some classes or some I don't know. I'm speaking of graduation about, you know, bigger things than like a school graduation. But it's some type of graduation. And I guess they didn't think they was going to see this Well, they're looking right at it. So it's reality. It's like step into reality. Or imagine telling somebody it was going to be a certain kind of way and they was like no, it's not. No, it's not. And then it really becomes that. And it's like oh Like people get real quiet. People get silent and But I see the ones that are happy and I see the ones cheering somebody on. But it's always that one that did not believe and they be the most hurt because now it's a real reality they got to live in. If somebody said I'm going to have a mansion one day and they get a mansion I'll slap the out of somebody in the mouth if they even say oh that's not a mansion. That's a mansion in front of your eyes. You know what I'm saying? Like people got to step into the reality. Whoever this is they got to step into the reality cuz the reality is the reality no matter what is going on up here. Okay? You going to either choose the delusion or you going to choose what you see. Okay? And what they see they see that you did what you did. People happy for you. People are celebrating with you, for you, all that. They see you. I even want to say they see the come up or something like that. They see something. They see something cuz it's judgment. It's somebody's time.

19

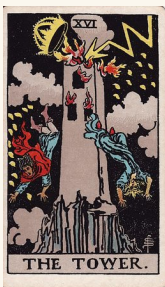

Judgement

Judgement: reckoning · awakening

It's your time for freedom. Whoever loves you they should want your freedom. They should want you to have your freedom. This person right here clearly did not think this was going to happen. They got to suck it up cuz you know one thing about facts, facts can change. They can. I could not have a mansion right now and I could have a mansion in 10 years. You never know. Right now it's facts that a person may not but you never know what could change. So don't be so quick to be like oh no, they're not going to make it. Cuz when they make it you going to have to suck it up. You going to have to eat that plate of And that's what somebody's doing and that's why they're gagging right now in that Nine of Swords. Like to be honest, that's why they're looking like that. Cuz something is complete. The world card is out here twice. Judgement The matter of fact, the world card is the last major arcana. Judgement is the major arcana right before the last major arcana. Okay? Like it's somebody's time. And whoever this is, they thought they would never see that They thought that's impossible. How could somebody even have a time? Well, what's this energy here? What is this energy? Iron intuition. Don't count people out. Don't be so quick to say what a person can and cannot do cuz when they do that man, people be looking real stupid. Like don't ever make that mistake. Don't ever say, "You know what? I don't think they can do it." Just just keep it to yourself. If that's what you think, keep it to yourself so you don't got to eat nothing when people succeed. Just keep it to yourself. Okay? You ain't got to say everything out your mouth. What is this energy here? So, we got the Three of Pentacles here. Yeah, that's something that is complete. What is this energy? And we got the tower. I'm telling you, somebody is like,

20

The Tower

The Tower: sudden upheaval · collapse

"Is that real?" Yes. That's real. If somebody said they was going to have a mansion, if somebody said they was going to be the first millionaire in their family, if somebody said they was going to be working for this establishment, if somebody said they was going to be that doctor, if somebody said they was going to be a lawyer, if somebody said they was I don't give a somebody said they was going to be the president. Okay? Don't count somebody the out. Okay? Cuz you never know. You never know and then you okay well if for the people that don't mind looking stupid cuz whoever this is they looking stupid right now. Like that's clear as day. That's clear as day and it's funny the I really started going off because the last two cards I had saw when I was pulling how can I say when I was pulling the last row. The last two cards was a seven of wands and a queen of sword and that's how I knew that no whatever this is it's almost like a weapon. It's almost like you have something that proves you did it or you made it or you you have something that proves that so they got to shut the all the way up. Okay, they got to shut they got their lips got to go in just the like that. That's how that got to go. They can't they shouldn't say nothing. What is this energy here? I'm just being real that's really what it's giving. They shouldn't even they shouldn't have said nothing and now they shouldn't

say nothing. Cuz anything they say will be held against them because it's going to be some What's this energy here? And it's funny that it's coming out like queen of sword and queen I mean king of sword and queen of sword and you know they like to talk. You know they have a lot of things to

21

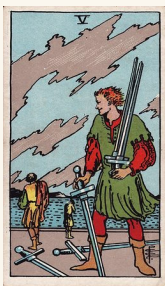

King of Swords

King of Swords: authority · truth

say and over here it was the king of sword with this five of of swords. So you know they was the one talking that but

22

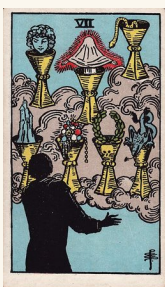

Five of Swords

Five of Swords: conflict · defeat

now the queen of sword got the seven of wands. Now the queen of sword has that thing she can do. Like imagine if somebody said I'm going to be a black belt. I'll be a black belt. Guess what? Somebody walked in with the black belt. Everybody jumping around you. Oh my goodness you got the black belt. Who's in the corner over there looking mad? Cuz they didn't think you was going to get the black belt. They thought you would get your ass whooped on the yellow belt. Okay, I'm telling you. They ain't think you was going to make it not even to the yellow belt. They was like you know what they want to give up on the white belt. They want to give up on the white string. Okay, before they even get a belt they want to give up. They eating all their words. What is this energy here? And then we have the seven of cups. They want to believe the delusion. That's fine. They going to be the only ones.

23

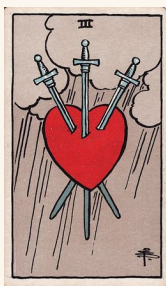

Seven of Cups

Seven of Cups: choices · illusion

They going to be the only ones looking. That's the three of sword. I mean, who can you be mad at? That is somebody got to face the truth. They was looking at some type of

24

Three of Swords

Three of Swords: **heartbreak** · **sorrow**

illusion. I don't know what they were thinking when they said you couldn't do something. I don't know what they was thinking. I don't know what they was thinking, but they was damn sure They could have been drunk. They could have been on that They could have been on something. I mean, the seven of cups is about delusion and illusions. It can be drugs and Whatever it is, they hurt. They didn't see something. They didn't know something. Like, how you going to know? That's why you shouldn't You shouldn't even open your mouth cuz we don't know what tomorrow's going to bring. We don't know. What is this energy here? I don't know. We have the nine of wands energy here. And then we have the lovers. Now it seem like there's some type of wall between two people.

25

Nine of Wands

Nine of Wands: **resilience** · **persistence**

Now it's like the energy

26

The Lovers

The Lovers: **union** · **a choice**

That is just so sad. That is just so sad. Also Gemini energy, but it's just sad that like That's Oh my goodness. What is this energy? What is this energy here? We have the eight of sword. The I mean, I guess this is how they think. Maybe they think they can't do it, so they thought you couldn't do it.

27

Eight of Swords

Eight of Swords: restriction · fear

Cuz now really is looking like, what the can they do? I mean, you didn't did what they thought you couldn't do. So now, hey, what can you do? Okay? What can you do? You the one over there stuck. You the one over there thinking everybody else stuck cuz you stuck. So now you got to figure out that no, it's you. You the one that's stuck." The one that's talking is the one that's stuck. The one that's talking about, "Oh, they can't do this. They can't do that." Okay, so now what can you do? Like, that's the thing. People talk a lot. They don't do nothing, though. They talk like they got a lot to say. They can evaluate somebody, but can't evaluate themselves. Okay? So, what do you do when the person that you said couldn't make it makes it and your ass is standing in the same spot? Same spot. Okay? What do you do then? Now you got to really look at yourself like, "Damn. Maybe you want to accomplish something. Maybe you want to get something done instead of hating. Instead of telling people what they can't do. Maybe you want to do that. I don't know. Maybe that's a good idea." I'm just saying. I should close this reading out. What is this energy here with this? And it says honesty and communication. Okay, thank you. Honesty and communication. And it says composure. Like, it's You don't got to do nothing. You eat them up. You don't have to say nothing, do nothing. Whoever this is, they read all the way between the lines. Okay? They understand just by your just by your life. They understand just by your existence what they need to understand about themselves. They are looking at themselves now. They really are cuz now they can't say about you. You could probably say a lot of about them, but you know, we're not going to do that. We're going to have that composure. You know, that's what we're going to do. But I'm going to leave this one right here. If you like the way that I read, please like, share, and subscribe.
